Message from Chairman Dan Hanson

On November 5th 2013 a Special Meeting of the Electors was held to vote on a proposed building project. This project includes an expansion of the fire station, remodeling the existing town hall, adding a community center and constructing a cold storage building for the highway department. The electors passed the vote to proceed with the proposed building project with an approved budget. The Town Board and appointed Building Committee have attended numerous meetings throughout 2014 with the hired construction management firm, architects and engineers.

A final building design was agreed upon and the process for bids was let in June of this year. Due to circumstances beyond our control (i.e. an unusually busy commercial construction season, rise of cost of construction, and being a prevailing wage project) not all areas of the building were bid on, therefore we rejected all bids received. After receiving the first round of bids, we determined the building also needed some revisions. The Town Board and Building Committee have continued to meet with Royal Construction, our construction management firm, to make revisions to the building plan with the intent to rebid the revised project in the fall. Assuming the revised plan and the new bids fall within budget, construction will begin early spring. Construction of the cold storage building behind the Town Shop will be completed this fall.

If you have any questions or concerns regarding the Town of Pleasant Valley, feel free to contact any of the board members. It is a pleasure to serve the Town of Pleasant Valley.

~Dan

2014 Road Projects

The Town of Pleasant Valley makes improvements to as many roads as possible each year with the state imposed limited amount of available funds. A significant portion of our annual budget is allocated to road maintenance and repair. As the cost of road maintenance increases and with 65.91 miles of road to maintain, we are only able to resurface approximately 1 mile per year with our current funding.

Butternut Road received major grade changes last year and received a double chip seal finishing layer this year. Tollefson Road is scheduled to receive a new culvert. Crack sealing, mowing and patching will continue throughout the summer.

Cash prizes include "\$50 Fridays" and \$75 on fire station meeting nights 12 times a year. Non-cash prizes include flamin' donations from over 20 area merchants from automotive to furnace cleaning to recreation to restaurants and much in between. Over \$4,500 in prizes available for you to WIN, WIN, WIN! The following sizzling calendar sponsors/advertisers have teamed up us to make this fundraiser a reality: Northwest Enterprises, Heavy Duty Components, WS Darley, Froseth Enterprises, Mid-States Trucks, Water Source Heating & Cooling, Cleghorn Keg, Scott Construction, Irra-Gator, Kjelstad Plumbing, Quality Outdoor Services, The Corner Store, Johnson Litho Graphics, American Express, Premium Lawn Service, and the Cleghorn Lions. **These fundraising raffle calendars will be selling like hot cakes at the Firefighter's Pancake Breakfast and at the Cleghorn Harvest Fest vendor area. See you at Harvest Fest and thank you for your support!**

Remember to get a burning permit before you do any outside burning. Contact TFD at 715-834-6868 to obtain a permit. Visit our website at www.townshipfire.org to view all burning policies.

Interested in becoming a member of Township Fire Department? We are always looking for more volunteers to round out our team. Contact Mark Behlke at 715-577-7404 for more information.

New Fire Truck

As part of the annual Township Fire Department budgeting process, funds are allocated toward updating equipment on a rotating basis. This year Station 4 received a 2014 International truck with a Darley body. This truck is a multi-purpose custom built heavy rescue vehicle which will be housed at the Station in Cleghorn.

Old Town Hall Restoration

The exterior of the Old Town Hall as been painted and the windows have been repaired. Stop by during Harvest Fest to view the progress.

The Town Board is looking for interested residents to form a Historical Committee willing to transform the Old Town Hall into a local museum. Please contact Dan Hanson at 715-878-4847 if you are interested.

Do you have any memorabilia you would like to donate? Please contact Dan Hanson at 715-878-4847.

New Building Project?

If you are planning on new construction on your property make sure to have the correct County permits! It may be confusing on what types of permits you will need for certain projects but being prepared ahead of time will save you money in the long run. Any questions regarding what types of permits you will need please contact Eau Claire County Zoning Inspector at (715)-839-1660
