Whereas, the Final Rule issued by the United States Department of Treasury allows for Non-Entitlement Units to report a one-time \$10M revenue loss standard allowance, and

Whereas, per the Final Ruling, the funds can be spent on any of the prior eligible expenditures as well as any expense considered Government Services.

Whereas, the Final Rule allows for this one-time allowance only in 2022.

Now, therefore, the Town Board of the Town of Pleasant Valley authorizes the Town Clerk to claim the one-time \$10 million revenue loss standard allowance as part of the 2022 annual Project and Expenditure Report.
